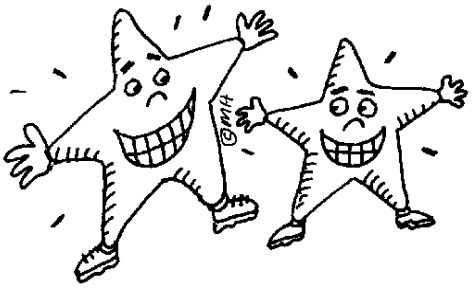
A.C.E Program

(Activity Clubs for Enrichment)



After School Clubs Based Enrichment Program for
Grade 5-8 Students

Dighton Middle School
1250R Somerset Ave.
Dighton, MA 02715
(508) 669-4200

Richard Wheeler, Principal

The A.C.E Program is...

a *program that provides students from varying grade levels and backgrounds the opportunity to join together and make new friends in an atmosphere that promotes acceptance, learning enrichment, and camaraderie.*

Why offer after school clubs to students at Dighton Middle School?

Children in middle grades are the most vulnerable to feelings of social isolation. Even with the support of character education programming and the guidance provided by caring parents, teachers, and school staff on a daily basis, it is sometimes difficult for middle-grade students to establish friendships. It is our hope that by providing these opportunities for positive social interaction through mutual interest, our students will be empowered to form affirmative, healthy friendships and share their enjoyment of a chosen activity.

Activity clubs are advised by teachers who are committed to providing quality programming to our young students.

Program Specifics

* The one-time fee for participation is $75.00. This permits participation in all programs. You will receive a voucher from the office when payment is made. You will need to present the voucher to the advisor to participate in the activity. Enrollment is on a first come first serve basis. Class size is limited to facilitate instruction in some classes.

* All clubs meet at the Dighton Middle School at 2:30.

* Club meeting days vary so please note the dates the activities are offered on our website calendar.

* Students will not be excluded for financial reasons. Please contact Mr. Wheeler if your family has financial considerations that might prevent your child from participating.

* Students are responsible for arranging transportation home at the end of club meetings. Students will be dismissed from all club meetings at 3:30 or 4:00 P.M. Students may also take the late bus at 3:00 P.M. if transportation cannot be provided otherwise. Please plan transportation accordingly.

*****In addition to A.C.E. clubs, DMS offers Math team, Debate team, Soccer team, Basketball team & Baseball/Softball teams for a separate fee.
